DIVISION

Below give full details including names of principals and witnesses.

While feeding + picking up traps out of Booking, C/O Killingsworth heard C/O Williams call out a Code Red in M-Dorm. Killingsworth left Booking after disengaging Booking panel + sending trustee back to MP Dorm. Killingsworth ran with C/O Phillips + C/O Clayton into M-Dorm. Upon entering M-Dorm, Killingsworth noted C/O Chapman with his shirt completely off and pants almost to knees. C/O Chapman's underwear were still on. However, it appeared that C/O Chapman and I/M Decater were or had been engaged in a fight. Officer Clayton, tagged I/M Decater and Decater slumped to the floor. C/O Chapman began to hit I/M Decater with his fist. I/M Decater's arms + hands were up, still attempting to fight. Sgt. Harper requested for C/O Killingsworth to retrieve Nurse Gold. C/O Killingsworth said that Nurse Gold was just outside west entrance. C/O Killingsworth left M-Dorm and went out the west entrance to get the nurse.
